Docket No. CP2022-58

**NOTICE OF THE UNITED STATES POSTAL SERVICE OF THE
FILING OF SUPPLEMENTAL WORKPAPERS**
(May 6, 2022)

The United States Postal Service (Postal Service) hereby gives notice of the filing of supplemental financial workpapers in this docket. Only one input in these supplemental workpapers is different than those in the original workpapers filed in this docket on April 29, 2022. In particular, in cell [A1] of the Inputs tab, the supplemental workpapers use an exchange rate of 1.3965 U.S. dollars (USD) per Special Drawing Rights (SDR); this rate is slightly different than the rate used in the original workpapers. After filing the original workpapers, the Postal Service became aware that the exchange rate to be applied by the International Bureau of the Universal Postal Union might be 1.3965 USD per SDR, rather than the original exchange rate calculated by the Postal Service. To show the minimal changes that the use of this different exchange rate would produce, the Postal Service is filing its supplemental workpapers. An unredacted copy of the workpapers is being filed under seal, subject to the same application for non-public treatment that accompanied the original workpapers and notice filed on April 29, 2022. A redacted copy is being filed publicly today with the instant notice.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
